Dear Brothers

I once read - where you employ a
staffer - Press Clipper - and in many
years - He only clipped - "one favorable
comment"

and I think it only fitting - you Run
a favorable comment - to our Long John - and
N.B.C. - in our Tenth - some day.

SOME OF OUR AIMS:

1. The elimination of Sheridan as the arbitrator.
Why?

Here is an excerpt from one of Sheridan's latest decisions:

"Whether or not he works under a Collective Bargaining Agreement, he is still in the position of the servant working for the master."

(SERVANTS?, We thought we were TRUCK DRIVERS.)

2. A complete evaluation of the Welfare and Pension Plans to secure further benefits.
3. An Honest and Strict Enforcement of the Contract.

The COALITION GROUP asks

1. What happened to the Kennedy Holiday day's pay?
2. What happened to the Cost of Living Index increase effective June 1, 1964.
What is the increase? - Is it 4¢ or 1¢?
3. What happened to the motion made by the Coalition Group and passed by the rank and file for the restoration of monthly meetings.
4. Why is it that the Executive Board of Local 707 has taken no action on the motion made by the COALITION GROUP and passed by the Membership to suspend our obsolete By-Laws.

WATCH FOR THE DATE OF OUR COMING BEER PARTY.

Now is the time to do some serious thinking!

Future papers will spell out our position clearly on all issues.

Eddie Bailey

Phila., Penna.,

Nov. 2-1963.

Very Hon. Harold Dillons,
Int'l. Bro. Teamsters,
Wash. - 1. D.C.

My Dear, Brother, Harold,

For once, I can write
you, free of critical comment,
from this area - or from
the direct actions, of
Jimmy here - abouts. And
the cooperation - of the
Remnants in Phila. - of the
old Copen Gang. Things have
changed - much for the
better - (over thirty years
of Miss Teamster Rule.)

But I suppose, you all
know now - what I meant.

(2)

when I write you (about
"107") being a Local - of
all Chiefs - and Mr. Indians!)
as even the Phil - News
Papers agreed with that Comment.
When Jimmy - tried to bring
order - out of ~~Chabham~~
at His Recent - Meeting here -
as these Local Lay members -
who take all Day - to Read
a Morning News Paper. Consider
themselves Qualified Candidates,
for the Intl - Vice Presidency,
or Better!

and Jimmy - and the Intl - has
taken the only Course open to
you. and that is - to fill
the Vacuum of Decades of
No Teamster Leadership here -
with the Power of The Intl -
Its - self. Which Jimmy has -

(3)

- has done - in removing Ray
Cohen - addressing the Rabble
and Herd - and addressing,
and aggroing - on the
(A.F.L. - C.I.O. -) Leadership
(Bundy Trade) in the area.

And along these lines - that
Jimmy - seems to have chosen
for himself. (I have enclosed
a clipping - which may offer)
the Teamsters - some opportunities.
And also - the Truck Drivers of
the Roach & Hars - Company,
"once a Division of J. D. Farber,
of Germany" offer very good
organizing opportunities here - to
take them away - from (A.F.L. C.I.O.)
and as it goes - right on down,
to the Local - Bill Curran
Distributors Union (AFL - C.I.O.).
To me - it looks - like they are

(4)

all their - "Life Drapes"
on a Wire - for Teamster
Taking. (If you - and
Jimmy - Could ever find a
man - for Leadership -
among (The Vicers - you
could Trust?) as I
Converted (Vicers) is the
only real way to achieve,
& a Real Energetic - aggressive,
Teamster's Union in Phila. 33
And it's up to Jimmy and your
fine Judgment - To Convince
them they are better off as
our Brothers - and not
us - our - (our 500) Vote
Victory to Punish - Them.
(and I can name - a very
able and Good one - Walter
Mitchell - (That we to
be in Charge of the #107 -

#107
City

Hiring Hall - on Sedgey
Street. (and is now -
just - another Truck Driver!)
But it is from Timber -
such - as Walter Mitchell
Represents - That the Intl -
must Build - a Real
Teamsters Union on - here
in Philadelphia!

as far as my past attacks on
Mr. Joe Anders - and the #107
Hiring Hall. Nothing was ever
meant personally. (It was only)
that Mr. Anders - permitted
Himself to be - (years ago)
over - Walter Mitchell - and later
over Pete Supko. and if He likes
to Play - Big Boss - He
should also - take the Big
Rap - when it Comes!

Well Hacked and Close - with
future great success to you and yours

④ "Life of a Hero" - for Teacher

Phila, Pa.

Sept. 28. 68.

Hon. Sir, Mr. Gibbons;

Just a line to keep you informed of current
problems here and to let you know, that
regardless of the tone of my last correspondence,
that I am still not, a seducer, open shopper.

I am only for you, being aware of our faults,
and eventually cleaning up our own houses.

And the reason I now find myself on
the side of (out of Home Local Members) and Non-
Union - Social Security Card Men. Is only a

reaction to an unhealthy situation - in the
Eastern Conference, that have existed, in its

Meeting Halls a long time. Which is typicalism,
Petty Local Politics, Parochism and in cases of

Personal Interests, Violation of Union rules
and no Legal Statutes. (Like sending men,

to work with out Books - because they
wash their cars every day.) (See Gordon's car,

Rede Solera car, Arthur Brown's car, Pop Rhodes
car - all agents of the Home Hall - 107.) and the

orators - who who's not know any better - all
then Petty Stupid Practices - might appear

Normal to Teamsters. But I know what
they truly represent, Petty, Selfish Tyranny!

and not true Teamsterism at all.
and having four Paid Agents - in the

Hiring Hall - to answer one Telephone, on
 or Trade Hour Shift - is not even
 good Teamsterism in itself. (as Jimmy
 would carry that job alone - let alone ever
 need the efforts of their Paid Helpers.)
 But I have been aware of these
 abuses - in the Eastern Conference, for years.
 And until now, have managed to ignore
 them - from their early days of selling Berke,
 whole sale to the Truck Concern's Bonus,
 to the present. But now I am fed up
 with the anti Unionism - of some of our
 own Eastern Locals. From Milton Liss's
 #478 in Newark - to the Hiring Hall, and
 Motor actions - here in Philadelphia.
 and regardless of what has been printed
 in the Public Media - I have found little
 Wrong - (In the Unionism or Public Relations
 Dept. - of Tommy Hicks, John Strong 807 -)
 and nothing wrong with Nick Chabris 707 -
 or even Tony Pro - #560. and I think
 Ray Cohen and Milton Liss - take our Union
 Cakes! But not for the same reasons as
 #478 Runs as Flops House and does nothing!
 and 107 is always doing too much - of the
 Wrong Thing! and ones as Bad as the other!

and my small grievance with Hickey
 and Johnny Strong + was that they once
 directed me down over Jimmy. as I was
 in 299 - a long time - and jumped
 me - why was Jimmy always sticking
 his nose in in New York! (That was
 eight years ago - when I first left the
 Central States Conference.) and I told them,
 even though I know Jimmy - I can't
 read his mind - and they both looked
 rather foolish - and shut up! and right
 after that local 707 - 400 came
 along - and I had a lot of Good
 Pals - Nick - Jay Ryan - Cowboy,
 and Tippy Carroll. (The best Pals -
 any of us - ever had in New York City!)
 But to get back to why - I over looked them
 alive's for years - and now fully intend
 to make an issue of them! and Johnny
 Strong's, Hickey's Darning Down was really the
 turning point. The Trestle - the see-
 saw - swinging up and down on! Because
 they were there enough to assure me - I
 could work in any of their Bars - in
 New York City!
 And I did - I went to work for -

(4) (E)

a fine Company - Custom Ctry - Co,
Dir, N. J. Truck - Pitston Iron and Coal Co.
Under Paul Bora - Terminal Mgr -
and Retired N.Y. City - Police Sergeant!
And I enjoyed wonderful Company - and
Union Relations - for a year - and
until I quit! The Complaint - just
wanted to go to Newark - and see
how Milton Joss was doing! and He
was operating Under the Hat - as usual,
and His office still looked like an Farmer's
out House!
B.T I did have an unhappy Experience - with
#807 - John J. Terrence - or Jimmy
Can Tell you - I never work on Transfer
Cards - or with Draw Cards! and over
the past years - I have tried to pay
Dues - and I always get Refused!
(and I sent at least 15 New members,
full and forms and join #807 - in N.Y.)
But everytime I approached the Stevedore,
about my Transfer! In all sweetness -
He would say - you are doing fine
aren't you - and I would have to
agree! (and that has been the answer
to my Case ever since!) No Eastern -

(5)

Cooper Local - Wants me for
a Voting Brother - are in some
way - they know its the same as
having you and Jimmy - in on these
minutes! and so I have carried
with them & Cards - and Transfer Cards,
from 710 - and O'Brien Eight years!
Due to no fault of my own!

But Harold - its the way I want it! If
I was looking for a easy out! I would have
went to 399 - 710 - 705 (or now a
Washington D.C. - local or just stayed -
with the 400 - in New York City!) But I
like to see these Chaps - worms & quinn!
and I like Teamster Locals - that don't
like me - or even Hate me! Eddie Bailey is
not looking for an easy Bitch in the
Teamsters - He wants you and
Jimmy to be a Big Success! and if we
have to Cut Glass - or mimic the
Chicago Cops - and Don't see our
Agents - its O.K. - with me - and I
hope District #5 of the P.B.A. - here
in Philadelphia. and if they do not under-
stand us Teamsters - We will connect them
with their H.Q. in Chicago - or Racine are -

(62)

Station their! And let them better
talk to them — as regard, Intra-
Union, Strike! (and maybe District
#5 - (Eng. up in the suit House) — like
Milton Firs — and Cohen?)
And its a shame — because Cohen and
his fellow Crooks — over the years — have
gone to the front — fought, the Butler Vp-
District #5. Day — official moon lighters
specie producers — at their Hiring Hall,
thinking they were Buttery their own
Bread! (They were using Land — and
District #5 — spread it all along!)
and that's why — after years of standing in
front of 107 Union Hall — that Police have
put a Dime on its steps at out! (Hiring
Hall — Sadgoly Street) Cohen's Land,
Melt's Pretty Fast! Just like it did —
when Eddie Walker — threatened to put them
all out in the Streets — at the Circus Strike!
(When 107 — think — they can run Cops — or for —
men — they had better Retire — or Stop —
Thinking!) And anyway — Mr. Deblons — I
think — we would be much better off —

(7)

with out there, kind of Teamster
Union Appeals! (as the kind of
Teamster Representatives we have
here in Phila ~~now~~ is no
Credit - to the International -
let alone a lone member, like
me.

(Hardly I worked under
Teddy Gleason! I worked under -
Carl - and Mike Walsh #1730 -
N.Y.C. - I was a Teamster -

and they Run their Hall - on
Christopher St - wonderful!)

And here - my own Teamster
Locals - acting like Cow shit!

You know my next step Harold,
(The United States Labor Board!

I Love Jimmy - but seemingly,
Jimmy has no Power - to enforce

My Dear, Friend and Brother Harold,

I have your letter, before me (Dated April 19, 1960).
I'm with you, I'm with you, you doubted your ability - to
Live up to my High Sentiments - Regarding your administrative
ability - (Well, yes, you, friend Jimmy) I seldom feel, a
Loser - ? and you have been a winner - Since,
you brought your whole force - (From the C.I.O. -) to

need - never have any doubts - about - your
ability! I'm say from the World.

And today I am - Writing - about much smaller

In other words (Harold) I think? I think - that in,
Terms of Numbers - we have a Huffer - or - Harold

Well - anyone - Harold - (Chabris - and J. Ryan - are in

And - I think you - and the International, have a

 then (5) that job to load — alone after dinner! after standing
 on the corner in the morning — from Day Break —
 to hope for the Terrible ordeal — To feed & have

As you can see — in New York City — we
 need — The \$400 - Rebels — in Local # 707!
 But Success leads to Infamy — and in
 time I need — and that is where
 the Internationals and you, (Hauled Come In)

one — that got Elected?

Because in my letter to Chas and J Ryan.
I put in the plea — that Tippy Carroll, be
suggested — In their correspondence to the International,
for assistant Trustee — (To the Helcken Vice
President — (that is the Squire of the Trustee —
Ship — of Local #468 — Newark — New Jersey!)
as an International Vice President — and Vice
of #560 Helcken — He is a very Busy man —
and should appreciate the help of Tippy Carroll!)

and when the time comes to release,
Trustee Ship — their should be none better
than Tippy Carroll — to see — a #400
state mine — not only welding north
jaws and my C — but the International
as well — into one solid — Unit! of
Union Solidarity!

So in closing — I am
More Honest — in the matter — to me,
as a Brother — and you — as the International?
I would love you to appoint Tippy Carroll,
C. The #400 — for 1 year — as Assistant Trustee — 468 —
The Newark Local — that President Carlin (now mayor —)
Disgraced — and the last Pres. Destroyed! Very Thankfully, yours,

Inasmuch as it appears from the attached correspondence that Mr. Bailey is a "crack-pot," I do not believe that you are under a legal duty to do anything concerning the matters discussed in his letter.

My Dear Sir:

As a Member of the Teamsters, for about Twenty Years, I have become quite interested in the fine Record, that you are making. In a Fine Organization, that I really believe in. And this Letter is kind of a Congradulation, to you, on the Fine Record that you have established.

And I feel that you have brought, Practical, Public Relations into the Teamsters with you? And it is a Thing, The Membership has Always Needed! Even above Settling of Local, Personal Disputes. A Situation, where the Membership Feels in Rapet, with The National Leadership. Which can only be accomplished by a Good Office Paper, and Prompt Correspondence. Which I think, you have brought into the Teamsters Union?

As for Instance, The Members Really Appreciated, The Last fine Write Up--in The International Teamster--(New York City.) But if a Member here, wanted to really Change Sides(Thirteen) and Write Thanks-----and get No Answer-----!!!!!! It would make the International Teamster, Look a Little on the Penny Side. (Park Avenue---has its Place in advertising.) But it is nothing like the Old Reliable Membership! And They want a Reply to show Their Buddys-----When They Switch over from Johnny Stpong and Tammy Hickory. And I hope the Teamsters have a National Mailing Box, (Suggestion Box) Where if the Truck Driver don't Win the Prize, He at least gets a nice Thankful Reply. The Reply is the main Thing, you can even disagree-----And it is appreciated-----But an Office never to Reply.

To Change the Subject::::: I got a Kick out of the many favorable Reports you get in the Public Press. (Egg Head!) But having Egg Heads Themselves---They cannot really Disown you, even if you are a Teamster.

Well Harold-----I am Glad I wrote you, and I hope that you, or a Member of your Office Staff finds time to Reply?

Very Thankfully,
Edward W. Bailey.
